

Editor's Welcome

Dear Horsewatch Member

Hampshire Horsewatch stand will be in attendance at: Farleigh House Charity Ride

Sunday 14th September 2008

There will be another Charity Ride held on Lord Portsmouth's Estate at Farleigh Wallop, near Basingstoke, Hampshire on [Sunday 14th September 2008. 9:30am to 3pm](#). This will be the 6th year that such an event has been held at this venue and Hampshire Horsewatch will be supporting this Charity Ride.

Also on completion of the Ride there will be an optional introduction to "Le Trec". This proved very popular last year so we are repeating it. Plus there will be opportunity to do a clear round in the show jumping ring.

This event is being held to support nominated charities – Neighbourcare, St John's Ambulance and Riding for the Disabled. Full details, inc. entry forms to download, will be published on the web site www.nfed.co.uk/horsewatch and in equine press. Additionally tack shops in the area will be given leaflets!!!

In case of difficulty in obtaining entry forms please contact Helen Gibson, Old Orchard, Diple, Hartley Wintney, Hampshire. RG27 8JP. Tel 0`1252 842254 (7-9pm only)

Your support is needed both to take part on the Ride or to act as Stewards/Marshalls on the day. If you would like to help with the Stewarding/Marshalling please contact DI David Collings on 07867 972 868 or e mail equine@hampshire.pnn.police.uk

Linked Incident??

It's come to our attention that a recent incident in Kent regarding the wheel falling off a tractor may not be an isolated incident. One of the Hampshire Horsewatch members in Yateley has recalled that 2-3 months ago the wheel of a tractor harrowing fields fell off due to loosened wheel nuts. This incident was not reported at the time and it was deemed a coincidence that large white vans with industrial sized recovery trailers were seen driving slowly past the farm the following evening. If you have experienced similar incidents but not bothered reporting them to the police please let us know, this could be a new trend developing in steal agricultural vehicles that we need to be aware of.

Best regards
David Collings
Equine Liaison and Hampshire Horsewatch

Can we improve?

Hampshire Horsewatch's primary aim and objective is to promote crime reduction and prevention. The committee meet on a regular basis to discuss Hampshire Horsewatch's aims and priorities to continually improve the scheme.

To help us do this, it would be really useful to receive your thoughts on our service - what are we doing well and where can we improve? Please send your views to equine@hampshire.pnn.police.uk or write to Hampshire Horsewatch, C/O Hampshire Constabulary, Police Headquarters, West Hill, Romsey Road, Winchester, Hampshire, SO22 5DB.

We also need to know what you are doing to help. Some of you are posting bulletins in saddlers and on stable yard notice board – this really helps us – thank you. By letting us know which stables/saddlers are receiving information we can then aim our attention at those who are not receiving the information.

Crime Prevention Advice from Hampshire

The traditional stereotype of a thief is somebody who only operates during the cover of darkness but in reality thieves do venture out in daylight! So don't drop your guard in daylight, leave gates open, switch the CCTV off, leave saddles out on view (either in your vehicles or in your yards) unless somebody is going to be around all the time. As the owners of £900 worth of stolen tack in Bedfordshire discovered it only takes 3 minutes for somebody to enter your yard and steal what you've left out. Some commercial yards now only operate a 'By Appointment' only system for visitors. This idea is well worth considering because then everybody knows when a stranger is expected on the yard.

Check out Sussex Police site for more advice regarding scams etc

Please also spare a thought for our Senior Citizens. They are increasingly becoming targets particularly in respect of mail and telephone delivered scams. A recent case in Birmingham involved a family who found after the death of their elderly aunt that she had lost £21,000 in paying 'processing fees' for prize draws and lotteries.

She also owed a further £15,000. They had found 10,000 letters at her home. On one of the letters, opened a day before her death, she had scribbled, 'I can't afford this anymore'. If you know of or care for someone who may be vulnerable then please take the time to warn them of the dangers involved in the scams described here. We are all aware of the need to remind them never to open their door without being certain who is there.

The fraudster though can come wrapped in an envelope and be delivered through their letter box or arrive as a

The offender removed over 900 pounds of tack and made off in the same white Astra Van. The details of the property taken are as follows:

- A brown leather Wintec saddle, with changeable gullet.
- A Wintec changeable gullet.

Horse Watch Blandford

This is only a brief message as I do not have much information to hand. I understand a piebald mare is missing from a field in Woolland Hill near Bullbarrow discovered missing on 31 July.

Enquiries show 2 males were seen in the field the previous day and a piebald horse was seen being ridden bare back through the village sometime afterwards. I have no identifiable features for this mare yet and I assume the process is in hand with photos etc on the stolen horse register but it is provided for information at the present time.

Incident I31:212 refers in case anyone has information which could help with enquiries. If you have any information regarding this message please call the Dorset Police on 01202/01305 222222 or Crimestoppers anonymously on 0800 555 111. Thank you. Dorset Police Ringmaster Circulation
