## Editor's Welcome

Dear Horsewatch Member

Apologies that a bulletin has not been sent out for several weeks but the day job takes priority.

There is a lot of information within this bulletin with information received from many counties.

## What's New?

New Forest Pony Sales Thursday 1st May 2008

Police Report. Officers from the Equine Liaison Officer and local Neighbourhood Policing Teams attended. Also present were representatives from RSPCA, ILPH, Trading Standards (Animal Welfare).

Officers were present for crime prevention and road policing enforcement.

A number of vehicle offences were identified. 9 £30 fixed penalty notices given to those with either no registration on the trailer or the wrong one!

A good reminder to those who borrow and lend out trailers...it is your responsibility to ensure the trailer and towing car are legal to be driven on the road.

Police Officers also recovered two stolen trailers, one which came from Woodlands 44070228374 refers, a Hampshire offence and one stolen from Bury St Edmonds in Suffolk their reference MH/04/1229, and was being used by someone who came from Essex. Both trailers were recovered.

It is hoped this in some way adds to the positive policing of the rural community where the theft of rural equipment is of concern to the rural public.

## Can we improve?

Hampshire Horsewatch committee meet on a regular basis to discuss Hampshire Horsewatch's aims and priorities to try to improve the scheme even further in Hampshire. To help us do this we need your views on Hampshire Horsewatch.

Remember Hampshire Horsewatch's primary aim and objective is to promote crime reduction and prevention.

What are we doing well and where can we improve?

We also need to know what you are doing to help. Some of you are posting bulletins in saddlers and on stable yard notice boards – this really helps us – thank you. By letting us know which stables/saddlers are receiving information we can then aim our attention at those who are not receiving the information.

Please send your views to [equine@hampshire.pnn.police.uk](mailto:equine@hampshire.pnn.police.uk) or write to Hampshire Horsewatch, c/o Hampshire Constabulary, Police headquarters, West Hill, Romsey Road, Winchester, Hampshire, SO22 5DB.

IF YOU BELIEVE THAT YOU HAVE BEEN OFFERED ANY ITEM ON THIS PAGE, OR YOU HAVE ANY INFORMATION THAT MIGHT LEAD TO THE ARREST AND CONVICTION OF PERSON/S RESPONSIBLE, PLEASE CONTACT CRIMESTOPPERS ON 0800 555 111. ## Crime Prevention Advice

If every rug was postmarked there may be a down turn in thefts or a better recovery rate of stolen rugs.....after all would you buy a second hand rug that was post coded or showed signs of having been?

Remember thieves steal to make money. Thieves need handlers to move stolen property on. Thieves and handlers need YOU at the end of the chain.

You have it in your power to reduce crime, identify possible thieves, handlers and stolen property just by taking a couple of minutes to postcode your rugs.

Remember don't buy someone else's misery.

Hi NFED

Not sure if you can help, the attached trailer was stolen from Epsom Riding for the Disabled this week. Thieves broke in using bolt cutters. I am the Chair of Epsom RDA and it was my trailer which I used for taking ponies for our riders to demonstrations, competitions, vets, the usual things you do with a trailer.

It is a Diamont Star Trailer which is quite unusual, if seen please let me know. You may like to have a look at our website  
[www.epsomrda.org.uk](http://www.epsomrda.org.uk)

Many thanks

Stella Milne –

Details posted & photo on the Hampshire Horsewatch Forum & sent it out via the Horsewatch Network.

The forum page can be reached at <http://www.network54.com/Forum/501482/thread/1209192672/last-1209192672/Stolen+Diamont+Star+Trailer> This is also linked from What's New on the NFED homepage.

And then there was good news.....from Stella

The police have found our trailer on a site in Surrey along with various other stolen items. We are thrilled as we did think we would not see it again. Well done to Kingston Police.

Suspicious Incident Bramsgore New Forest

Over night of 26 April 2008

An incident involving horses.

What you read is from the owner

"Some time through the night, someone went to my field, which is 5 mins from the house, where my Arab stallion is running with his 2 mares, and cut through strands of high tensile barbed wire, tied back the fencing, and let him loose on the main Bransgore Road. Luckily all he wanted to do was get back to his mares so he didn't venture out onto the road, thank God. Now, he would have had to have been led away from or herded out of the field to leave his girls, as you know no red-blooded male will leave his wives just to go wondering!!!. He has quite a few superficial injuries so God knows what has happened to him. Whoever did this went there with the intention of either stealing him or just letting him onto the road to be spiteful. They had the right tools to cut through the wire".

Incident was reported it to the police.

Remember....all incidents such as this must be reported to the police. Remember to get a reference number. In Hampshire this will be referred to as the RMS number. Or Altaris number. This number will help find details of the incident and to cross reference with other incidents.

Suspicious Incident

2 May 2008

Tadley area of Hampshire

Approx 12.30 today two Irish travellers drove past a couple of times then arrived in my yard driving a fairly new light coloured 4X4. One got out, the other had head down and looked like he was reading.

The one who spoke was interested in my 2 miniatures and pony and then went on to try to sell me a boxed generator from the back of the 4X4. He had 2 generators all boxed up.

Remember report incidents such as this to the police.....try and get the registration number of all vehicles.

This is a Ringmaster message to all residents in the North Bedfordshire area, who may own or stable horses.

Horsewatch Comes To Keysoe

Equestrians living in or around Keysoe are being encouraged to get their saddle and tack security marked in a joint crime reduction initiative by Horsewatch and the North Bedfordshire Safer Neighbourhood Team.

The event will be held on Thursday May 15 at 7.30pm at The College Equestrian Centre in Keysoe. Horse owners and riders will have to pay just £3 per saddle or £5 for saddle and bridle for the benefit of getting their property protected from crime.

Pc Jyoti Gill, from the Safer Neighbourhood Team, based at Risely Police Station says security marking really can help protect from crime. He said: "For the sake of a few pounds very expensive equipment can be permanently security marked. That means that should you be in the unfortunate position of having your tack stolen the chances of it being recovered and returned to you are much higher."

"By working jointly with Horsewatch in this way we hope that riders across north Bedfordshire will come to this event and benefit from this initiative. Your Safer Neighbourhood Team is here to make where you live safer and to give you a better quality of life by reducing crime. Help us to help you by coming to this event on May 15."

There is no need to book a place but more information is available from Horsewatch member Rowena-james@superdooper.com or from Pc Gill and colleagues at Risely Police Station on 01234 275175.

From Dorset Police

During the past two nights there have been attempts made to steal from cashpoint machines around the county by two, or possibly three males using an electric or petrol driven angle grinder to cut into the cashpoint machines.

On the first occasion the males were successful in obtaining an amount of cash, but on the second they were disturbed by a member of public and made good their escape.

These males are said to have been wearing hooded tops and balaclavas on their faces and on both occasions they made off in a dark coloured Audi vehicle registration similar to YR06GJE.

This vehicle is believed to have also been connected to two other similar incidents recently, one an armed robbery in Poole at the beginning of the week and a similar ATM attack which occurred in Hampshire last Monday. On these previous occasions it is thought the vehicle may have been displaying a set of false number plates.

For the past two nights members of public have been disturbed by the level of noise created by the angle grinder and reported the incidents promptly to Police.

The Dorset Police are seeking your assistance in tracing this vehicle and its occupants and urge anyone with information or who may hear suspicious noises in the early hours to contact Police on 999 immediately quoting Crime Numbers 19933.

DO NOT APPROACH THESE PERSONS OR VEHICLE YOURSELF. Please advise your friends and neighbours.

If you have any information regarding this message please call the Dorset Police on 01202/01305 222222 or Crimestoppers anonymously on 0800 555 111. Thank you Dorset Police Ringmaster Circulation

Today this van, containing two likely lads (traveller types), called at premises where three horses are kept at Berrow, Nr Redmarley on Worcestershire/Gloucestershire/Herefordshire borders alongside the M50, post code WR13 6AG.  They called between 10am and 11am saying they wished to "buy the field". They were told there was no field for sale and they left. They returned this evening circa 8.15pm on the same malarkey and again had the same response. They were told there was nothing for them to buy.  They became aware that, on leaving, their vehicle number was being taken down and at this they reacted badly and appeared to be going to cause some hassle. However, they left quietly. Apparently this is not the first time that they have been snooping around this area.  This is a metallic finish light blue transit van. The vehicle number is SJ08ZFW. The one occupant answers to the name of Sam and is the one wanting to do business.  It may be a suss for a theft or they could genuinely want to buy a field so that they can turn it in to a traveller site over a weekend when the Council are dozing.  <b><u>Could react badly if forcefully challenged.</u></b>
