Editorial Comment

I am delighted to share West Yorkshire's news that the Shetland stallion stolen on 6th June has been recovered thanks to the brilliant cooperation between the public and police. This is the first pony to be stolen and the first to be recovered since this particular Horsewatch scheme was set up in April 2009. Well done to everybody who helped make this a Horsewatch success story.

We could have many more similar "happy endings" if everybody supported their regional Horsewatch scheme with such enthusiasm and dedication. Warwickshire Police are currently promoting their Horsewatch scheme so if you have friends or family in that county please do encourage them to join the scheme. These schemes are only as strong as the members who join them.

We make no apologies for repeating this message: If the worst happens and a horse is stolen, owners must ensure that details of their horse are entered onto www.stolenhorseregister.com. This should be in addition to any other websites that they may wish to use to notify the public of the theft of their horse.

We have been researching the internet and discovered scores of websites with details of stolen horses which are not reported on www.stolenhorseregister.com. In order to help the numerous willing Horsewatch Members throughout the country find your stolen horse or pony please, please use the central database at www.stolenhorseregister.com

Stolen Ifor Williams Horse Trailer:

RMS 44090303180

Between 17:00hrs on 11th July and 11:00hrs on 12th July 2009 this trailer was stolen from Kitscroft Lane, Petersfield. It is a four-wheel double horse trailer 505 model stolen from a farmyard. It is burgundy coloured. This was a determined effort by the thieves to steal: the padlock on the farm gates was broken, offenders also removed a fence panel and the clamp and towbar lock were both broken off, as was the index plate on the rear of the trailer.

A battery fence also damaged and there is cause for concern that there may have been an attempt to steal a pony from one paddock. All trailer owners are reminded to keep a watchful eye on their property and that of their neighbours and to report any suspicious activity to their local police and / or Hampshire Horsewatch.

There is every possibility that there will be further offences in this area which includes Sussex. Thieves/associates will do their homework and visit premises and locations prior to actually committing the crime.

THEFT OF DIESEL AND RAVE REMINDER (Sussex Farmwatch 12/7/2009)

Diesel has been stolen from a farm in Lagness overnight of 9th/10th July. The yard has four diesel tanks, three of which were forced and diesel stolen. Please be aware that these thefts are still occurring. If you know anything or get any information about this theft, please call Sussex Police quoting crime ref no. WA1/065723/09.

A reminder about raves, this years serial no is Serial 740 of 5th April 2009. If you call in about a rave and quote this number the call taker will have a guide as to how best to route your call.

The summer period increases the risk of rural raves, which often result in crop and machinery damage, noise nuisance and other serious problems within the rural area. If you own land that may be attractive to illegal rave organisers please consider additional measures that would frustrate vehicle access and make these much more difficult to set up.

As a short term measure farmers and land owners may wish to consider placing heavy and immobilised machinery at likely access points to inhibit those wishing to attend with vehicles and set up the rave. Most raves occur at weekends and the set up will often start at dusk. If you see vehicles that may be used to carry rave equipment accessing remote locations especially on the South Downs please contact the police immediately. Raves are often very difficult for the police to close down once they have established themselves, but can often be stopped before the music starts.

Early notification of suspicious activity can assist the police in stopping a rave before the situation develops into a full-scale event. Sussex Police can be contacted on their non emergency number of 0845 60 70 999

Farm and Horse Watch old Eastern Division 14 July 09

A member reported occupants of a red Escort Van acting suspiciously around the Wimborne St Giles area late evening of 13 July. Polythene was taped over the rear window. This was in the vicinity of stables and farms. Registration number P316 BPM.

Coincidentally, three males were disturbed tampering with a digger on a driveway in New Road Ferndown in the early hours of this morning. They were seen off by the occupant and all made off in a red Escort van but no registration number available of course due to the late hour. Incident number for the Escort Van P316 BPM is 650 dated 13 July. I am asking for keeper enquiries to be made in case it has been sold on recently.

I would ask for your keen awareness please so that we have a chance of stop checking the vehicle and identifying who is driving it.

Also around this time-period, two properties under construction/renovation were broken into in this area and a trailer stolen from a garden at St Leonards Ringwood.

A white Peugeot 306 L553 STR was poaching in the St Giles area last night.

May I also remind all farmers that the steam fair is only next month and that you may wish to start reassessing your land and outbuilding security and try to prevent any illegal encampments. You don't normally have cause for concern but better be safe than sorry.

If you have any information regarding this message please call the Dorset Police on 01202/01305 222222 or Crimestoppers anonymously on 0800 555 111. Thank you

Editor's Reminder: Vehicles will travel across county borders and although this information has come from Dorset, Hampshire members should be observant and look for this vehicles as they may well be travelling in the county. If vehicles are seen please report the sighting of where and when and how many occupants to the police as soon as possible. If you suspect a crime is taking place, where the occupant(s) of the vehicles are responsible, then dial 999.

Farm Watch 15/07/09

Scarborough & District Country Watch

www.countrysidewatch.org.uk countrysidewatch@hotmail.com

We have received the following information about changes to Horsewatch in the Scarborough area from Mrs Tricia Colling:

“Countryside Watch will cover the Scarborough Rural Area and Filey Rural Area with the website www.countrysidewatch.org.uk being available to all Rural Watch Schemes in the North Yorkshire area - all that's needed is for those without a website to get in touch and a page (or two) will be allocated free of charge.

Countryside Watch has been formed by Tricia Colling, formerly of Scarborough Country Watch, to address a gap in the current rural crime prevention arena for the Scarborough District. Contact for Countryside Watch is via email to countrysidewatch@hotmail.com only for the present.”

Thank you for this information Tricia and good luck with organising a successful and community-minded Countryside Watch. We hope all the horse owners and riders in your district give you their full support.

Stolen Pony Recovered

Hi All

I am extremely pleased to inform you that the stolen Miniature Shetland stallion pony (Geronimo) - was returned home to Otley last night.

Geronimo was stolen from a riding school in Otley on Saturday 6th June. His owners reported this to West Yorkshire Police on Sunday 7th June. PC Karina Phillips (SPOC for the Otley area) dealt with this and sent me the information on Monday 8th June.

On Monday 8th June I emailed everyone I have on my list (internal staff members, SPOC's, all forces around the country, Councils, and animal welfare). In turn, all the WYP SPOC's contacted their members. Members then told friends, and other forces around the country told their members.

In the 5 weeks since Geronimo was stolen, emails and messages have gone around the country. I received information and kind offers of support from Horsewatch members everywhere, including Northants and overseas. All offering to help us find the missing Shetland.

This co-ordinated approach by all involved in the country-wide Horsewatch scheme resulted in me receiving 2 phone calls yesterday from members of the public in Manchester. They had heard about the stolen Shetland and knew where he was.

Bury local police (Greater Manchester Police) contacted the owners, who drove over late last night to identify the pony. They took him home during the early hours and they are absolutely thrilled to have him home.

Geronimo is the first pony stolen in our area since the scheme was launched in April. It took 5 weeks of emailing and working with partners and members but we found him and I am so, so pleased. This just goes to show that this scheme works by the powers of communication and commitment from our members.

Thank you so much to everyone for helping to get Geronimo back home.

Fiona Pearson fiona.pearson@westyorkshire.pnn.police.uk

FOUND PONY / BRADFORD AREA

This is a bit of a strange one! Steel Grey coloured Shetland pony stallion. Found recently wandering around in the Clayton area of Bradford. Nothing on the system as reported as stolen/lost as far as we are aware. No markings. We will check asap for a microchip. He is currently being cared for by a Horsewatch member at their stables.
