Information & Advice

All though the below information comes from Bedfordshire the information and advice applies to all areas of the country. Best advice with all calls of a dubious nature is to say no thank you and if you think the incident warrants a call to the police then phone them. Vulnerable people such as the elderly are particularly susceptible to such frauds, scams. If you know of any vulnerable people, it could be a relative, then please advise them accordingly.

Bedfordshire Police Alert – Suspicious Telephone Calls

A number of Ringmaster members have reported to us that they are receiving telephone calls from Security Companies claiming to be working with, or for the Police. Some Residents have been told that the Chief Constable is specifically involved in these projects. Other callers have claimed that they are selling products that raise money for the Police or Police Charities. Bedfordshire Police do not employ any private companies to undertake security checks on peoples homes.

Winter Road Safety Days

The below information comes from North Yorkshire. The advice offered is sound and in many ways common sense. Be prepared.

The Road Safety Days apply to North Yorkshire only. Other counties may undertake a similar scheme but you will have to enquire yourselves.

North Yorkshire Fire & Rescue Service (Road Safety Task Group) have issued the following advice regarding Winter Driving and would like to pass this on for your attention: 1. Always clear snow/ice from all windows and mirrors before travelling to ensure you have good visibility. 2. Always carry a scraper and de-icer to clear windows and mirrors. 3. Ice and slush can mean it will take you 10 times longer to stop than on a dry road so slow down, manoeuvre gently and avoid sudden braking or acceleration. 4. Vehicle maintenance is very important. Tyres should have at least 3 millimetres of tread and be at the right pressure. Check that your brakes are in good working order. Lights should be wiped clean and windscreen wipers should work properly. Make sure you have plenty of screen-wash and add anti-freeze to the radiator. 5. Take extra care around snowploughs and salting lorries. Keep a safe distance and don't attempt to overtake. 6. Roads need to be cleaned of mud or sign posted accordingly, if caused by you. The Road Safety Task Group have the following Winter Road Safety Days planned 10am-2pm Monday 14 November - Helmsley Tuesday 15 November Filey Friday 25 November - Whitby

Resilience forum urges motorists to carry emergency kits following M5 crash

Following the tragic M5 car crash which resulted in seven fatalities and over fifty people being injured last weekend, a local resilience forum is urging residents to carry emergency kits in their cars.

The Bedfordshire and Luton Local Resilience Forum is

Date 11th November 2011

encouraging residents to carry essential items such as warm clothes, a torch, a first aid kit and food to help keep them warm and comfortable if an accident occurs.

BLLRF Chair and Bedfordshire Police Assistant Chief Constable, Katherine Govier, said “ The M5 car crash last week was a tragedy and our thoughts go out to families of all those who were involved. “Investigations are still ongoing into the cause of the crash but the incident is a reminder that motorists should be prepared for emergencies on the road. If an accident occurs travellers can be at a standstill for a number of hours. Having an emergency kit in your car will help makes those hours more comfortable, particularly if you have children or elderly people in the car. Putting a kit together will only take a few minutes but you never know when you might need it.”

Even usually short journeys may turn into lengthy ones because of traffic incidents such as these. Therefore when planning for a car journey it is useful to have some basic items alongside or part of your emergency kit such as:

- Bottles of water
- Non – perishable food such as crackers, nuts, cereal bars and dried fruit
- Chocolate and/or sweets

With winter approaching, BLLRF also recommends that you prepare now for the challenges that some weather, such as snow can create. You can do this by packing the following items in your emergency car kit:

- Ice scraper and de-icer
- Torch and spare batteries - or a wind-up torch
- Warm clothes and blankets - for you and all passengers
- Boots
- First aid kit
- Jump leads
- A shovel
- Road atlas
- Sunglasses (the glare off snow can be dazzling)

Motorists may also find it useful to check journey conditions on <http://www.trafficengland.com/>

For more information about emergency planning advice go to <http://www.whatwouldyoudoif.co.uk/>

Residents can receive updates and also share their own emergency planning advice on http://twitter.com/#!/what_would and <http://www.facebook.com/whatwouldyoudoif>

DogWatch No. 703

1. Guard Dog Poisoned

Over night on 3/4 November thieves broke into a small industrial estate near Streatley, opposite the site of a major break-in on 12 October (Dogwatch 689). (Were these the same villains?) They cut fences and smashed padlocks before they were disturbed without the opportunity to steal anything. It is believed that they were responsible for poisoning the resident German Shepherd dog.

2. Six Dogs Stolen

This is a little off our patch, but since it is serious and relevant, we report that six dogs were stolen on 2 November from Sittingbourne in Kent after thieves broke into six separate kennels. They took a black Labrador; a liver & white English Springer; a black and white English Springer; a golden Cocker; a tricoloured Cocker and a blue roan Cocker.

3. Pickup Truck Raided

Police reference number: URN 977 01/11/11

There was a break in to a silver pickup truck at 4:00 p.m. at Frieth, near Marlow on 1 November. A witness saw a green X reg 4x4 leaving the scene at speed. There was an Iranian looking male driver with short dark hair, possibly in his early 20s. There were also two males in the back of the vehicle. It is believed that this could be the vehicle now used by the VW silver Golf/Cherokee people.

4. More Coursing Success!

On the 1 November a 27 year old male was arrested at a farm in Mentmore, near Aylesbury and charged with hare coursing. This is an ongoing issue in surrounding villages where local farmers have suffered a lot of damage to their crops and gates. There have been several incidents in recent months and this is the first arrest of this hare coursing season in the area. Police hope this will send out a message to those who think they come and get away with it.

Theft of Sit-On-Mower & Golf Clubs - Petworth

John Deere sit-on-mower, colour green and yellow, stolen from an address in Horsham Road , Petworth over night of 2/3 November. Chains securing mower to floor were cut with an angle grinder. A full set of golf clubs was also taken.

Stolen Compact Tractors - Warnham

Crime Ref: 0196 of 4/11/2011

Security chains cut through and two red compact tractors have been stolen overnight from Broadbridge Heath Road, Warnham, one is a Siromer compact tractor, neither are registered for road use and are only 4 yrs and 2 yrs old. The older tractor has a front loader fitted - the sides of a tipping trailer was used by the offenders as a bridge over a ditch. The offenders have also stolen a wood chipper. Diesel was also stolen from a neighbouring property.

Theft of Wellingtons - Handcross

Crime Ref: 1059 of 06/11/11

Between 5pm on Saturday 5th Nov and 3pm the following day a Town and Country store in the Handcross area was broken into. A large number, in excess of 100 pair of Le Chateau Wellington boots were stolen. The offenders had gained entry without activating the alarm and made off in a vehicle across fields.

Theft from Stables - Walberton

Stables in Yapton Lane , Walberton broken into overnight. Hay, feed and electric fencing stolen.

Dogs Stolen - Balcombe

Serial Number 1746 of 09/11/11

Between 19:30 and 22:00 on 10/11/11 two dogs were stolen from the rear of a property on the outskirts of Balcombe. One is a liver and white Springer Spaniel called Wilson . Wilson is 10 months old and has ginger ears. The second dog is a 4 year old Border Terrier called Hooch. Hooch is mousey brown with flecks of black. Neither dog had a collar.

- A Ferrett was also stolen from a property a few doors down and the two incidents are believed to be linked.
 - Neighbours have reported seeing a white 'N' registered van, similar to a Ford Transit in the area.

Event Number P1111040457 - Date 04/11/11

On two occasions in a week period two horses have been deliberately let out of their paddock by turning off the electric fence and tying open a gate and also removing fence posts.

Electric Fencing:- *If you are not using the unit and fencing for sometime, eg; over the winter months, remove it all and store in a secure place. At very least you should mark your energiser unit with your postcode by either engraving or using an indelible marker pen or paint. It is possible to purchase a specialist box, which may be locked and electrified. To deter vandals and opportunistic thieves, the box can be connected to the energiser, making the energiser box itself live. Access to the box is gained using an insulated key.*
