Dogwatch No.993 – 12th May 2014

Combating Rural Crime

1. Thefts From Equestrian Properties

There have been yet more thefts from equestrian properties over the weekend, where medicines, tack and horse feed have been targeted.

During the early hours of the 11th May an offender(s) broke into a barn in Ashdown Park, Lambourn, by breaking the lock. The alarm casing was also damaged. Three items of tack were stolen.

Overnight between the 10th and 11th May offenders gained entry to farm buildings in Sheepdrove, Lambourn. Bank cards and cash were stolen from one of the offices before 4 other buildings were broken into where medicines and horse feed were stolen. There was also an attempt to remove a 4x 4 vehicle.

During the same time period two outbuildings on a farm in Wantage Road, Lambourn were broken into. The doors to the medicine cabinet were forced and medicines were stolen.

A livery yard in Rag Hill, Aldermaston was broken into. Bales of shaving, hay supplements, a head collar and hay nets were stolen.

Please remember to:-

- Lock all buildings when not in use
- Mark your tack – either by stamping or engraving or micro chip your saddle.
- Don't leave wheel barrows lying around that can help offenders remove goods.

2. Facewatch

From 12th May, Thames Valley Police will be using the Facewatch App to upload pictures of unidentified people they would like to speak to in connection with low-level crime.

The App works on any smartphone, is free to download and the images are searchable by postcode.

Dogwatch No. 994 – 15th May 2014

Combating Rural Crime

1. Thefts From Equestrian Properties

There have been yet more thefts from farms and stables where medicines, tack and horse feed have been targeted. Overnight between the 12th and 13th May offenders gained entry to stables in Worlds End, Beedon by climbing over the metal gate. They have then searched a number of outbuildings and stolen medical supplies, hay and straw, agricultural tools and sporting equipment.

There is a trend developing here, so if you own stables/horses, please be aware that there are people

Hampshire Horsewatch Bulletin
(Incorporating Information From Around The Country)

Date 8th June 2014

out there targeting them and take the necessary precautions!

2. Diesel

There has been a recent increase in the incidents of the theft of red diesel just over the border in Hampshire. This is predominately but not exclusively from vehicles on building sites, farms and other rural locations.

Please consider your security measures, if possible, leave vehicles with little fuel in them, park them out of sight, if possible in secure buildings. Park them in such a manner that would make it difficult for the fuel tank to be accessed. If you have diesel stored in tanks, please consider locks and alarms for your tanks. Keep cans of diesel locked securely out of sight.

3. Suspicious Vehicle

The driver of a white Mitsubishi L200 VRN DX 63 T## has been reported as acting suspiciously in the East Berkshire area. He is trying to sell chainsaws from the vehicle. He is described as being white, with an Irish accent.

Theft from Vehicles at Equestrian Events

There has been an increase in the theft from vehicles at equestrian events across Suffolk in the past few weeks. The crime below is one of 6 reported to Suffolk Police over the last two weekends at 4 separate equestrian venues. Please – when at shows, events and at the livery yard remember to remove any valuables from view and lock your vehicle even if you are leaving it for a few moments. A minute is all a thief needs to relieve you of your wallet and mobile phone.

Please don't become a victim of crime – lock it or lose it.

Theft From Vehicle - Sicklesmere

Officers are reminding motorists to lock their vehicles and ensure belongings are not left inside after the theft of a handbag at an equestrian event in Sicklesmere. The bag was left inside the living quarters of a horse lorry at around 1.30pm on Monday 21st April. When the owner returned to the lorry at around 3.30pm the bag was missing.

Suffolk Police urges competitors at horse shows to use common sense and ensure they are not easy targets.

It is easy to assume that you're with like-minded people and drop your guard, but that's when you're vulnerable and thieves take advantage. Don't leave your saddle resting against the horse box or the bridle hanging off the wing mirror – when unattended lock your tack away. Don't leave your handbag, mobile phone or wallet lying on the front seat of your vehicle. Remain vigilant and if you see anyone lurking around the lorry park that seems suspicious or out of place, immediately contact a show steward or police on 101.

Recovered items appeal

Police are releasing images of a number of items that have been seized by officers investigating burglaries and thefts across the county. Attempts have been made to reunite property with its rightful owners but in some cases this has not been successful.

Police are now releasing images of items including a quad bike, a watch, a camera and power tools in the hope that they may be recognised. In addition to these police have a number of power tools that have not found their way back to their owners and would like to hear from anyone who have had similar items stolen and not yet recovered. Items include chainsaws, hedge trimmers and drills. ***Photos of the items can be found on the Suffolk Constabulary website.***

Burglary Non Dwelling

Officers are appealing for information after horse riding equipment was stolen from a unit in Newmans Green, Acton at around 9.50pm on Wednesday 4th June. The unit was forced open and two saddles, whips and harnesses were stolen from inside. There was also an attempt made to enter a 2nd unit at the same site. This was unsuccessful and no entry was gained however, damage was caused to the door handle and security lighting.

CCTV images show a car on site around the time, believed to be a silver coloured hatchback. The driver was a white man, medium to large build with short dark hair which was shaved around the sides and longer on top and he was wearing jeans, a dark coloured jacket with a white stripe across it, black leather gloves and white trainers.

If you noticed any unusual activity nearby or have any information that may help please contact Suffolk Police on 101 quoting reference SU/14/1033.

Gwent Police – Horse Watch – 14th May 2014

Theft from Yard – Henllys, Cwmbran

Yesterday at approximately 2.30 pm two males in a Black new shape Corsa/Peugeot car attended a livery/stable in the Henllys, Cwmbran, Gwent area. One male continued to brazenly walk around the stables checking pockets in coats/jackets etc.

On this occasion he took a £400 mobile phone from one jacket. The male was thin to medium build, dark hair cut short, blue track suit and trainers, he looked in his mid twenties, the driver of the black car was of a heavier build going thin on top. If you see a vehicle fitting this description anywhere in Gwent parked in a gateway or looking suspicious around your yard please ring 101 straight away or ring Allan Mills, Gwent Police Farm Watch Co-ordinator on mobile 07813 898284.

Suspicious incident relating to horses.

In the Groeswen, Gwent area, 5 horses had part of their legs shaved. The owner believes this could be a trick by travellers to identify horses and to collect them later.

This has not been confirmed, but as a precaution, can you check your horses and make sure they are secure.

For further information on this incident please contact allan.mills@gwent.pnn.police.uk
