Trailer Information

Sourced from Sussex Horsewatch

Questions are often asked about "*how much weight can my vehicle tow, what weight can I tow and do I need to take a trailer test.*"

- A very useful leaflet published by Ifor Williams is attachment and it answers all those questions.
- Did you know that if you have an Ifor Williams trailer stolen that you should notify Ifor Williams, via their website, where you can register its theft. Then as anyone ordering spares from them has to quote the Serial Number it is easy for them to locate stolen trailers.
